 1. The battery pack is located inside the device. 2. The battery pack is located inside the device. 3. The battery pack is located inside the device. 4. The battery pack is located inside the device. 5. The battery pack is located inside the device. 6. The battery pack is located inside the device. 7. The battery pack is located inside the device. 8. The battery pack is located inside the device. 9. The battery pack is located inside the device. 10. The battery pack is located inside the device. 11. The battery pack is located inside the device. 12. The battery pack is located inside the device. 13. The battery pack is located inside the device. 14. The battery pack is located inside the device. 15. The battery pack is located inside the device. 16. The battery pack is located inside the device. 17. The battery pack is located inside the device. 18. The battery pack is located inside the device. 19. The battery pack is located inside the device. 20. The battery pack is located inside the device. 21. The battery pack is located inside the device. 22. The battery pack is located inside the device. 23. The battery pack is located inside the device. 24. The battery pack is located inside the device. 25. The battery pack is located inside the device. 26. The battery pack is located inside the device. 27. The battery pack is located inside the device. 28. The battery pack is located inside the device. 29. The battery pack is located inside the device. 30. The battery pack is located inside the device. 31. The battery pack is located inside the device. 32. The battery pack is located inside the device. 33. The battery pack is located inside the device. 34. The battery pack is located inside the device. 35. The battery pack is located inside the device. 36. The battery pack is located inside the device. 37. The battery pack is located inside the device. 38. The battery pack is located inside the device. 39. The battery pack is located inside the device. 40. The battery pack is located inside the device. 41. The battery pack is located inside the device. 42. The battery pack is located inside the device. 43. The battery pack is located inside the device. 44. The battery pack is located inside the device. 45. The battery pack is located inside the device. 46. The battery pack is located inside the device. 47. The battery pack is located inside the device. 48. The battery pack is located inside the device. 49. The battery pack is located inside the device. 50. The battery pack is located inside the device. 51. The battery pack is located inside the device. 52. The battery pack is located inside the device. 53. The battery pack is located inside the device. 54. The battery pack is located inside the device. 55. The battery pack is located inside the device. 56. The battery pack is located inside the device. 57. The battery pack is located inside the device. 58. The battery pack is located inside the device. 59. The battery pack is located inside the device. 60. The battery pack is located inside the device. 61. The battery pack is located inside the device. 62. The battery pack is located inside the device. 63. The battery pack is located inside the device. 64. The battery pack is located inside the device. 65. The battery pack is located inside the device. 66. The battery pack is located inside the device. 67. The battery pack is located inside the device. 68. The battery pack is located inside the device. 69. The battery pack is located inside the device. 70. The battery pack is located inside the device. 71. The battery pack is located inside the device. 72. The battery pack is located inside the device. 73. The battery pack is located inside the device. 74. The battery pack is located inside the device. 75. The battery pack is located inside the device. 76. The battery pack is located inside the device. 77. The battery pack is located inside the device. 78. The battery pack is located inside the device. 79. The battery pack is located inside the device. 80. The battery pack is located inside the device. 81. The battery pack is located inside the device. 82. The battery pack is located inside the device. 83. The battery pack is located inside the device. 84. The battery pack is located inside the device. 85. The battery pack is located inside the device. 86. The battery pack is located inside the device. 87. The battery pack is located inside the device. 88. The battery pack is located inside the device. 89. The battery pack is located inside the device. 90. The battery pack is located inside the device. 91. The battery pack is located inside the device. 92. The battery pack is located inside the device. 93. The battery pack is located inside the device. 94. The battery pack is located inside the device. 95. The battery pack is located inside the device. 96. The battery pack is located inside the device. 97. The battery pack is located inside the device. 98. The battery pack is located inside the device. 99. The battery pack is located inside the device. 100. The battery pack is located inside the device.

Parts List for BDL190S Type 1

Item Number	Part Number	Description	Qty Required
1	585155-00	DRYWALL PIN	1
2	585156-00	KEYHOLE INSERT	1
3	585158-00	CAP,PROTECTIVE	1
4	000000-00	No Longer Available	1
5	479008-00	WARNING LABEL	1
6	479015-00	WARNING LABEL	1
7	479013-00	NAMEPLATE	1
8	479014-00	INFORMATION LABEL	1
